**Dear Friends and Gardeners,**

And boom we have winter! Of course it was coming but I did not think it would be so fast. Wednesday was spent doing those last have to do items before it freezes. Cone but many items remain that would be nice to have done. The weather forecast does look better for next week but as my Mom loved to say "we will see".

The following 26 members will be making the Holiday Woodland Centerpiece: K.. Alberts, J. Aspenleiter, C. Bartlett, J. Bock, S. Burns, B. Davis, R. Egolf, J. Ethington, J. Evans, N. Graham, D. **Treasurer's Report**

There is not a Treasure's report for September as income and disbursements were under \$50.00.

For those of you who have not already sent in your check for the Christmas Luncheon, you can give me your check for \$30.00 made out to PAGC at the meeting on Wednesday or send it to P.O. Box 746, Petoskey MI 49770 by December 13th. Thank you,

I will be collecting monies for the Christmas Luncheon (Bay Harbor Yacht Club on December 20th): \$30.00, at the October meeting. If you do not indicate your

choice, you will get chicken. Please make out your check to PAGC. You can also  
mail checks to P.O. Box 746, Petoskey MI 49770. Thank you,

### Hospitality

It is time to sign up for the 2018 refreshments!!! The attendance at our meetings has  
increased so we will have committees of 6 instead of four each month. The more the  
merrier and we don't want refreshment duty to become a burden. Each month, in addition  
to the chairman, we would like one person to sign up to be a hostess. The hostess will still  
help with the refreshments, but also greet members and guests as they arrive. So...you  
can sign up at the November or December meetings or email me at [jevans76@mac.com](mailto:jevans76@mac.com)  
with your name and the month available. Thank you!

### Children's Garden

Next meeting will be January 10 at noon.  
Mark your new 2018 calendar and join us at the Bay View Administration building  
near John Hall Auditorium. We will be doing a Facetime interview with one of the  
designers of the MSU Children's Garden. Ideas are flowing! This winter is going to  
be great for planning and research. Join us!
