Dear Friends and Gardeners,

As I put this together another gorgeous day in Petoskey. Last I checked it was 73, awesome. Yesterday my work team worked on the Waterfall Garden. The breeze off of the lake made the day absolutely glorious. Probably like many of you I attended Art-In-The-Park last Saturday. Took the, while at this event, time to go past the Pennsylvania Park/City Center Bed. Thought I would share a few pictures I took at that time. I especially enjoy the plant ID labels.

Rhea Murray

Rhea Murray passed away on July 18 at Hospice Cottages. Rhea joined the Gaden Club in 1996 and had been very active until this winter when she moved into Independence Village. Her love for gardening and enthusiasm will be missed. They are planning a memorial at the History Museum in the near future.

From the President:

What a beautiful summer we are having and the flower beds look great! Thank you to everyone who walked in the July 4th parade and helped hand out flags. They were a big hit and ran out right before the end. Don't forget to send your \$39 to Sandee Keszo for the District 5 meeting on September 12th at the Botanic Garden in Traverse City. If you have any interest in the Grand Garden Show on August 28th and 29th, just go to this link and sign up for one or two days –grandgardenshow.com/register/
