

July Newsletter 2018

From Our President

I just wanted to say how blessed I feel to be part of such a great group of people and am thankful that I joined Garden Club at Ethel Larsen's urging in 2005. There are so many of you I would have never met, including our long time member (1974) Liz Dickinson who we lost July 5. For those of you who knew her, there will be a memorial gathering on Saturday, September 15, 2018, at Stafford's Bay View Inn from 5-7p.m.

Thank you to those who helped hand out 2,016 flags in the July 4th parade. Thank goodness Marla showed up with her grandchildren to help. We still ran out of flags before the end of the parade. Also, a big thank you to the team that showed up to help spread 6 yards of mulch at the Monarch Waystation last week. Please stop down to take a look and see how beautiful it is. Don't forget to check out the Grand Garden Show on August 27 and 28 at grandgardenshow.com/register/. They have day tickets for sale and you get to tour some gorgeous private gardens on Mackinac Island.

Civic Gardening

There will be no tulips in the Gaslight Bed and South Bed because of work on highway. The civic gardening committee met recently and decided this after the City let us know about changes. I put in daffodil order and amaryllis order. Amaryllis will be here for the October meeting \$10.00 a bulb. The date of November meeting is so late there's not enough time to grow them before Christmas.
