

# November Newsletter 2018

## From Our President

It is hard to believe that we are already through November.

Looking forward to our project Wednesday with William Santos. Please don't forget to bring in or mail your check for \$25 for the Christmas Luncheon at the Carnegie Building downtown on December 19th. I hope you all saw the article in the paper about our award from *Keep Michigan Beautiful*. A big thank you to Sandy Selden for filling out the application and going to Frankenmuth to receive the award for us.

## Petoskey Area Garden Club receives Michigan Plaque

**PETOSKEY** — The Petoskey Area Garden Club recently received the Michigan Plaque from Keep Michigan Beautiful at the KMB annual meeting this year in Frankenmuth.

Keep Michigan Beautiful, an organization which promotes beautification in Michigan, recently chose to recognize Petoskey Area Garden Club for continuing projects that make Mich-

igan beautiful. The award was accepted on behalf of the grateful garden club by Sandy Selden, a former club president.

Petoskey Area Garden Club, founded in 1934, plants and maintains gardens in Petoskey's city parks, including Pennsylvania Park and Gazebo, Waterfall Garden at the Lakefront, City Center Garden by Penney's, the South Bed Garden and

Gaslight Garden, the History Museum Garden, the Monarch Waystation on Bear River Walk, Bridge baskets at Mitchell Street and plantings at the Carnegie Building and Post Office.

Petoskey's Garden Club has 105 members who meet, garden, learn and work together to promote a love of gardening, landscape design and environmental responsibility, while having fun.

## Fall Planting

After being rained out twice the bulbs were finally planted. Thank you to all those who helped get them in the ground!
