# From Our President

Dear Members,

We had so much fun at the Michigan Garden Clubs, Inc. Conference at The Great Wolf Lodge in Traverse City. I had the opportunity to be the keynote speaker the first night of the conference. The presentation was about floral design for today. It was very well accepted. A great surprise was to know that the President of National Garden Clubs was also part of the conference. Some tours were part of the event. Some of us got to visit The Botanic Gardens and at Historic Barns Park, other visit the Iris Farm, while other visit wineries. It truly was a great event, meeting so many other garden club members, sharing ideas and gardening advice. But most importantly, it was a great bonding experience for all of us. From dinners and great conversations, dancing, playing connect four, pool time and slides.

As the President of our club and part of MGC board I can tell you there are great things on the making for garden clubs in Michigan. I will keep you posted.

Happy Gardening William Santos President

## Landscape Maintenance

While our scheduled planting day, June 10th was cold and wet, June 11th couldn't have been more perfect. The South Entrance Bed, the History Museum Bed, Pennsylvania Park, the City Center Bed, the boxes at the Library and Post Office and the Bridge Baskets all look beautiful. On May 29th we planted the 17 City Raised Planters and I have heard several compliments on them already. Now the important part, making sure all our toil and treasure is kept weed free and looking its best throughout the summer. If you can't weed as scheduled, it is really important to trade with one of your bed mates, or let your Bed Captain know so she can make adjustments. If we all do our share, it goes quite quickly. Let Barb or me know if we can help in any way.

We can't do it without you, Barb Kromm and Nancy Graham Landscape Maintenance

### Avocado and White Bean Salad Wraps

- 1 15oz can cooked northern beans rinse and drain sea salt and freshly ground black pepper
- 1 tbsp soy sauce
- 1 tbsp white balsamic vinegar
- 1 large avocado
- 2 tbsp lime juice
- 2 tbsp chopped parsley
- 1 tbsp canned diced green chiles
- 1 tsp garlic powder
- 1 tsp smoked paprika
- 1/2 tsp onion powder
- 2 whole wheat tortillas
- 2 whole wheat torthias
- 2 roma tomatoes, thinly sliced
- 2 handfuls baby spinach
- 1. Saute the beans in a large frying pan over medium heat for 1 to 2 minutes or until warm, (I add a bit of extra virgin olive oil)
- 2. Add the soy sauce and cook, stirring occasionally, until the liquid has cooked away. Add the vinegar and cook, stirring once or twice, until the liquid has cooked away. Remove from the heat and mash the beans with a fork.
- 3. Scoop the avocado flesh into a large bowl and mash until there are no chunks.
- 4. Add the mashed beans, lime juice, parsley, green chiles, garlic powder, paprika and onion powder. Mix well until combined. Add the salt and pepper to taste.
- 5. Spread half of the avocado mixture onto one wrap or tortilla. Add a row of tomato slices across, an inch or so from the edge, a row of spinach. Roll the wrap over. Chop in half if prefer.
- 6. Repeat with the second wrap and remaining ingredients and serve. Store in an airtight container in the refrigerator for up to 3 days.

## Apparel

Several of you ordered pink shirts at the last meeting and I will have them available at the June meeting. If anyone else is interested in purchasing a shirt, hat or apron, they are \$10.00.

Thank you, Nancy Graham

Plan to be in the July 4th parade representing the Garden Club. We usually have 2 cars driving with a couple of passengers and the rest of us walking and handing out 2000 flags. They are really popular. We gather at the high school at

5:30 p.m. on July 4th and then walk almost all downhill to Petoskey Street and then back up Lake Street to Pennsylvania Park. It is really a lot of fun. Please let me know if you want to be in the parade.
