Hospitality 2021

Hospitality Committee noting that for the coming season we will use the luncheon schedule done for this year which didn't happen. The list will be printed out and calls made if this comes into fruition! All is yet to be determined as time goes by.

Program Updates

We are regretfully cancelling the November and December member meetings, including the holiday luncheon at City Park Grill. The Board will meet by Zoom on November 18 as scheduled.

Planning will soon be underway to develop an entertaining and informative program schedule for 2021, anticipating our ability to once more be able to meet in person, with Zoom as a back-up plan. Any recommendations for 2021 program ideas can be sent to Marjorie Green or Jane Schneider.

Thanks to Nan Casey, Jill Hotchkiss, and Lee Phillips for their assistance in planning 2020 monthly programs. Who could have anticipated this year??
