## *Our Beautiful Gardens*

### From the President...

Happy Spring!!! Our first meeting of the year was an opportunity to hear from our city and foundation partners and learn about local bird walks. Thirty members joined the April Zoom meeting.

I understand some members had trouble joining on Zoom. If you are having this problem on the day of the meeting or would like a private Zoom lesson, please call me at 517 230-2361. We start meetings with the invited speakers, so please plan to join the meeting about ten minutes before the scheduled start time. We'll get a chance to chat with other early birds!

I know we're all looking forward to meeting in person. See you all at the planting of the city's raised planters on **June 3** and **Spring Planting Day, June 10.**

Here's the link to the Zoom Member Meeting...

Marjorie Green is inviting you to a scheduled Zoom meeting.

Topic:

May 2021 PAGC Member Meeting

Time: May 26, 2021 12:00 PM

America/Toronto

*President*

### Board Vacancies

The Historian committee is in need of a co-chair willing to collect and store photos of our gardens for our scrapbook as well as for award applications and future brochures, etc. Please let Sharon Schappacher know if this position interests you.

### Awards Committee

Jan Hertel is our new Chair for Awards and she is looking for interested persons to help with the preparation of award applications. Some writing is involved as we document our various activities. This work is typically accomplished from August through September as Michigan and National Garden Club applications are due October 1st each year.

## Program Update All about Dahlias!!!

Please remember to join our May meeting by Zoom on May 26th at noon. We will have a presentation from Rusty Hart about growing and caring for dahlias, followed by a business meeting with updates on our club's many activities. In-person meetings will resume in June. Hurray!

## Mark your Calendar

Planting of the city's raised planters on Thursday, June 3 at 10 am and Spring Planting Day Thursday, June 10 at 10 am. Rain date is Friday June 11 at 10 am.

*All members are expected to participate.*

## Spring in the High School Courtyard

The courtyard at the high school is in bloom thanks to Jill Patterson! She planted most of the beautiful bulbs. The students planted the hyacinths and crocus. The hyacinths are still blooming.
