From Our President

I am in the middle of a 5-day bicycle trip and enjoying perfect Northern Michigan weather. Hopefully, you are also enjoying the sunny days in your garden and in pursuing other summer sports and hobbies.

Petoskey Area Garden Club has received a citation from Michigan Garden Club and a proclamation from the City of Petoskey in honor of our 90th Anniversary. The crowds along the 4th of July Parade route cheered our presence in the parade. We should all feel really good that we are part of such a long-lived, non-profit organization that is loved and appreciated by the community. All of you contribute every day to our effectiveness and our positive impact on the community. Thank you so much for that.

I would also like to send out a special thank you to the 90th Anniversary Committee for all that you have done for our special activities this year. Thank you, Kathleen Davis, Jan Hertel, Cathy Meyer, Kari Solomon, Jane Bock, Karen Alberts, Connie Lenau, Marj Green, Pam Washburn, & William Santos.

4th of July Parade

Great turnout for the Petoskey Parade from the Garden Club and from all the spectators that came to watch the parade. It was a great time.

Children's Garden

Many thanks to the committee for our 90th Gala for their fundraising efforts to aid the Children's Garden! Thanks to those who donated items, time, and creativity to boost our Kitigaan funding by \$9,000! Wonderful! Thanks too, to those who did not attend the Gala, but did still contribute to Children's Garden Fund! Much appreciated, we are off to a great start!
